

# FBO-14-HTR

For Stationary Applications

## Product Information:

Starting February 2008 Racor is pleased to announce the release of our FBO-14-HTR fuel filter/water separator with heater. Each unit is packaged with detailed service and installation instructions.

This popular filter is for high flow fuel dispensing, and now can be ordered with an immersion type cartridge fuel heater. The heater is ideal for cold weather applications.

For quality, ease of filter replacement, and long service life. The FBO-14-HTR is designed for stationary applications on fuel dispensing pumps.

Call Racor for replacement parts and personalized customer service.
